## 5. INCIDENT NARRATIVE

On May 15, 2026, at approximately 14:17, the insured (Roberto Armando Sánchez Peña) was attempting to parallel-park his Jeep Grand Cherokee on Av. Tiradentes in front of Farmacia San Rafael. The road surface was wet due to ongoing light rain. While reversing, the vehicle experienced a wheel slip on the wet pavement, causing the driver to lose control momentarily. The vehicle jumped the curb and struck the pharmacy's glass storefront at low speed. The impact shattered two glass panels (each approximately 3m x 2.5m), damaged the aluminum frame, destroyed an external display shelf, and knocked over a freestanding sign. No persons were injured. The insured remained at the scene, cooperated fully with police, and immediately notified Seguros Meridiano.
